

(This page) Mrs. DS Thian, a Phadei Chin Christian from Western Myanmar, 88 years old, is the wife of the man who translated the Bible into Phadei Chin. The Phadei Chin prayed for 63 years for Bibles in their heart language. The translation was finished in 2010 and the translator died the next year without seeing Bibles printed for all Phadei Chin Christians. After many setbacks and difficulties, 15,000 Bibles, enough for every Phadei Christian, were printed and delivered in 2022. Thank you, our donors, for giving to Biblia Global to make this project happen and to be a part of answering the Phadei Chin's prayer for God's Word! "My name is Mr. Roland. I am 17 years old and I live in T. Village. I was born and brought up in a Christian family but I was not a born again Christian. I didn't know and understand about salvation because I had never attended Bible teaching and training in my life. There is no pastor in our village because our village is on the mountain side and in a very remote area. Our village also cannot pay the salary for a pastor.

When I heard about a Bible training program at Singugyi Church, 45 miles from our village, I was interested to attend and by the grace of God I attended. Rev. PH taught about salvation in detail and I accepted Christ through his teaching. I was baptized and I received a Bible for free.

I am really happy to receive this Bible. There is no Bible in our village and the neighboring villages. I am the only one who owns a Bible in our village. I am so Blessed. Now I owned the best and most powerful book. I strongly believe that the Bible is the KEY to success in life. Thanks to you all."

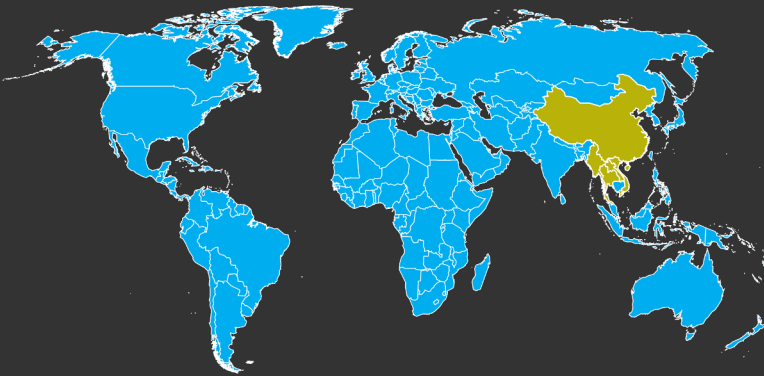

My name is Mr. C. Mang, the younger brother of Rev. C. Sum. I am 87 years old. I was born and bought up from a Christian family in Chin State. I accepted Christ when I was 15 years old through the teaching of Rev. Nun Tiam, the faithful servant of God.

The Phadei tribal people are the first converted people to Christianity in the Falam tribe ... But we didn't have a Bible in our heart language. We have been praying since 1948 to have a Bible in Phadei ... We continued to pray even though there was no answer. By the grace of God, my brother Rev. Cong Sum started a translation in 1993. There was small or little hope to have the Bible translated by him and there was little hope he could do it as he had no formal education. Only through God's grace God giving him wisdom, [he finished in 18 years] and we have a Bible in our own language in 2011. **After 63 years of long prayer, God answered our prayer.**

But when the Bibles in his translation were printed in Myanmar, it was a very heavy Bible [and poor quality]. So, we began praying again to be able to reprint with best paper quality and much less weight ... God answered our prayer beyond what we prayed for because not only was it a Bible printed, but it was also a Hymnal was included. HALLELUIJAH.

My favorite Bible verses are Psalms 23, and 1 Timothy 2:4. Thanks to all those who worked hard and donated for our Phadei Bible with Hymnal. God bless you all.
